Notes:

Apply for double major in Semester A, Year 2 and Start in Semester B, Year 2

Having completed 6 courses per semester in the first three semesters;
 Will continue with 6 courses/ semester in at least 3 out of 5 semesters that remain.

(144 credit units in 4 years = 48 courses in 8 semesters = 6 courses per semester)

Completion of double-major requirement will leave 18 credit units (6 courses) out of the 144 max credit load.
