Tasks

1. Daily participation and review: Active participation in daily activities and a short daily review
2. Individual reflective writing: The reflective writing (in 1200-1500 words) requires students to present their discoveries of knowledge in relation to TCFL after attending/participating in lectures, seminars and workshops.
3. DEC group project and oral presentation: The DEC group project will involve 4-5 students in discovering language use and culture in Shanghai and creating relevant learning materials suitable for TCFL. Students will be asked to give a 20 min presentation at the end of the Summer programme in ECNU.
